Environmental Management System Certificate **ISO 14001:2015**

We certify that the Environmental Management System of the Organization:

MARGARITELLI FERROVIARIA S.p.A.

is in compliance with the Standard UNI EN ISO 14001:2015 for the following products/services:

Design and manufacture of components and systems for railways, tramways and underground railways in reinforced concrete and prestressed concrete using the processes of: production, vibrocompaction, curing and prestressing. Design and production of wooden and impregnated wood products for railways using the processes of: seasoning and mechanical processing of the wood, pressured impregnation treatment of the wood using an autoclave. Design and production of road safety barriers in wood and steel using mechanical wood processing, pressured impregnation treatment using an autoclave, surface treatment and assembly. Impregnated wooden products for outdoor use. Wood preservative treatments.

Management System Certification
Division Manager
Giovanni Balducci

The maintaining of the certification is subject to annual surveillance and dependent on the observance of Kiwa Cermet Italia contractual requirements.

This certification has been granted in compliance with the Accredia technical regulation RT-09

This certificate is composed of 3 pag. The following technical datasheet provides details concerning the scope of certification.

MARGARITELLI FERROVIARIA S.p.A. **Registered Headquarters**

Via Adriatica, 109 06135 Perugia Italia
